

WCG ThreeWire | Recruitment Success

WCG ThreeWire Objectives:

- Increase recruitment and enrollment
- Assist sites with workload-related study management
- Key services deployed across 16 sites

Sites with Enrollment Assistants™

Sites using Chart Review™

Greater than 5x

Increase in Enrollment Rate with ThreeWire

From:

Patients enrolled in the first **10 Months** without ThreeWire

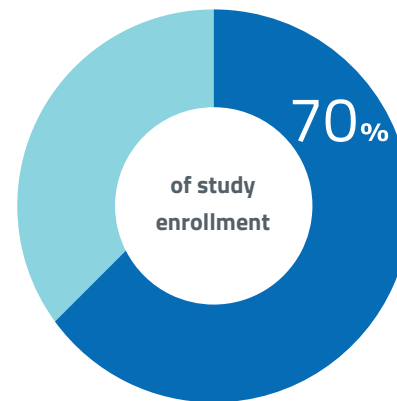

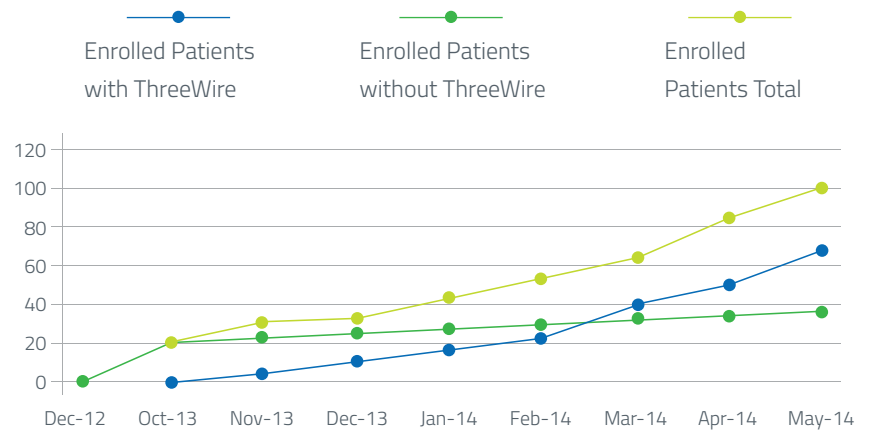

To:

Patients enrolled in the next **7 Months** with ThreeWire

ThreeWire accelerated overall enrollment rate.

- Enrollment by time
- Number of patients enrolled to meet goal of 100 enrolled patients

ThreeWire enrollments represent nearly three quarters of total randomization.
