

Rater Qualification and Certification for Dermatology

Less Frustration. More Investigation.

WCG Trifecta is working to improve the experience for investigators and site staff by eliminating redundant training and processes

Using WCG Trifecta's online platform, **InvestigatorSpace®**, rater qualification and certification can be applied for any future studies using the same scale. No additional documentation. No additional time. Automatically transferred across studies, therapeutic indications and sponsors—for less time spent frustrated by administrative burdens of today & more time spent investigating the cures of tomorrow.
